Annual**

Northwest Medical Center Benefit Golf Classic

Once again, we invite our dear sponsors and golfers to join us for a day of fun, fellowship and support for the mission of Northwest Medical Center. This year features a return to a four-person scramble format at both courses and to a focus on supporting the sports medicine capabilities NMC offers to our partner schools. Those services, which vary based on the needs and preferences of the schools, include free athletic physicals for student athletes, free IMPACT concussion testing (baseline screenings and post-concussion testing and analysis), athletic trainer services (both at event sites and at schools during the week,) equipment to aid in post-injury rehabilitation, and training sessions for coaches. Those services, which add value to our schools and the families they serve, are a worthy and exciting cause that we feel are deserving of the support you so generously provide as we all work together to improve life in our region!

I thank you for your support and involvement, and I look forward to seeing you on the course!

Sincerely,

Jon D. Doolittle, Regional President
