Gentry County Historical Society Depot and Museum

September 03, 2015

The Gentry County Historical Society will be holding their 3<sup>rd</sup> annual "Heritage Days" at the Albany Depot on Saturday, September 26<sup>th</sup>, 2015.

As you can see from the enclosed flyer, we are sponsoring a variety of different arts, crafts, demonstrations and entertainment that should interest all ages.

This is a totally free event for the public. This also includes anyone who sets up a booth or table to show their talents and wares. **There is a free will donation for the meal we are providing to offset some of our costs.**

As you know there are several hours of planning to make this happen. With the cost to make this event successful we need help. We are asking for contributions to help with defraying some expenses.

If you feel you would be able to help, please mail your contribution to:

**Gentry County Historical Society**

**P O Box 177,**

**Albany MO 64402**

We thank you in advance for your contribution.

Please post the enclosed flyer at your business

Thank you,

The Heritage Day Committee
