NMC New Hampton Rural Health Clinic Hosts Albany Rotary Club

Albany, MO, April 18, 2014 - Northwest Medical Center (NMC) New Hampton Rural Health Clinic opened its doors to the Albany Rotary Club on Friday, April 18 for a tour and presentation by Northwest Medical Center President and CEO, Jon Doolittle.

Established in 1937, the Albany Rotary club was created as a service club that brings together business and professional leaders. Members meet weekly for lunch to exchange ideas, build relationships, and take action in the community.

Rotary's April 18 lunch and meeting was held at the clinic's neighboring business, New Hampton Propane. Members then made their way to the clinic and were able to explore each part including all personal care suites, spacious rooms where patients and their guests wait for appointments in privacy. Albany City Administrator and Rotary Member, Derek Brown, states that the clinic provides a unique, state-of-the-art care experience for the area.

"The clinic is beautiful and provides an experience that is rare anywhere in healthcare, not to mention in a rural area," said Brown. "Northwest Medical Center has a long tradition of being a step ahead, and this clinic is the latest example. It will be exciting for them to incorporate these new concepts into other care settings."

The New Hampton Rural Health Clinic is located at 304 East Lincoln Way in New Hampton. Hours of operation are Monday - Friday, 9:00 a.m. - 4:00 p.m. Appointments are available by calling 660-439-2060 or walk-ins are welcome.

To learn more about The Albany Rotary, contact Rotary President Don Groves at 660-726-3998.

About- Northwest Medical Center has provided high-quality health services to residents in Northwest Missouri since 1957. Along with five satellite clinics and a full-service home-health agency, Northwest Medical Center continues its tradition of community healthcare utilizing leading-edge diagnostic equipment and boasting one of the top emergency room facilities in the region.
