**For Immediate Release:**

## Northwest Medical Center to Host Open House for Stanberry Rural Health Clinic

**Albany, MO, June 11, 2014** - Northwest Medical Center (NMC) would like to celebrate the relaunch of its newly remodeled Stanberry Rural Health Clinic and invites the public to an open house from 4:00 - 6:00 p.m., Wednesday June 25 at 202 East Main, in Stanberry.

“We’re excited to offer the residents of Stanberry and the surrounding area a more innovative clinic while offering the best services possible to our patients,” says Vicki Hogue, NMC Clinic Operations Director. The clinic has recently added the services of Katie Dias, DO, four days a week. Dr. Dias joins current Stanberry Rural Health Clinic providers Drs. Arturo and Genoveva Tenorio. “Together, the providers offer a broad range of health services to the public, while offering the community members an option to skip the drive and get great, quality care close to home.”

Guests at the Open House will learn about the variety of health care services available at the clinic while enjoying tours of the remodeled clinic, refreshments and giveaways.

Drs. Tenorio and Dr. Dias will be available for guests to meet and greet, while the kids enjoy a visit to the NMC Doc McStuffin’s Teddy Bear and Toy Clinic. Children are encouraged to bring their favorite toy or stuffed animal for a special check-up from Doc McStuffins. At the Open House event, children will learn how check-ups are an important part of staying healthy and that visits to the doctor aren’t scary at all. Guests will have the opportunity to take pictures with Doc McStuffins and enjoy crafts and other activities throughout the clinic.

For more information about the Open House or to make an appointment at Stanberry Rural Health Clinic, please call 660-783-2192. Hours of operation are Monday, Thursday, Friday, 9:00 a.m. - 5:00 p.m., Tuesday 9:00 a.m. – noon and Wednesday 9:00 a.m. – 7:00 p.m.
