For Immediate Release:

Eye Clinic Opens in Albany

Albany, MO, March 27, 2014 – St. Francis Hospital & Health Services in cooperation with Northwest Medical Center are happy to announce the opening of the St. Francis Eye Clinic in Albany.

Ophthalmologist Dr. Sudarsan Chavala will be available at the new location for all types of eye care beginning Wednesday, April 2nd. The clinic is located at 115 North Smith Street and will be open on Wednesdays from 9 a.m. to 5 p.m. with the optical shop for eyewear open on Tuesdays from 10 a.m. to 3 p.m.

“We are excited to welcome Dr. Chavala and his staff to Albany,” said Jon Doolittle, Northwest Medical Center President and CEO. “Dr. Chavala has a great reputation in northwest Missouri and his clinic will provide a much needed service to area residents, which has been missing for several years. Beyond the eye clinic itself, we are eager to work with Dr. Chavala and his team to provide a variety of outpatient ophthalmic procedures over time.”

This is a second location for the St. Francis Eye Clinic. The main office is situated in the ground floor of the South Hills Medical Building at 114 E. South Hills Drive in Maryville and is open on Mondays, Tuesdays, and Thursdays.

For more information or to make an appointment at the new St. Francis Eye Clinic in Albany, call (660) 726-3171.
